2017–18 INDEPENDENT STUDENT VERIFICATION WORKSHEET

Your 2017–18 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding federal student aid, we may ask you to confirm the information you reported on your FAFSA using this worksheet and other required documents. If there are differences, your FAFSA information may need to be corrected. You and your spouse whose information was reported on the FAFSA must complete and sign this worksheet, attach any required documents, and submit them to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
