

ACADEMIC INTEGRITY

The College's policies and processes provide guidance to the individuals charged with administering disciplinary action or academic sanction while outlining the protection to be afforded to students through their right of appeal. Disciplinary authorities are encouraged, whenever possible and appropriate, to settle findings of violation by informal resolution. The Academic Integrity policy, including faculty rights and responsibilities, is located in the Student Handbook. The online Student Handbook can be found on the Temple College website under "[Student Resources](#)."
